

Application for Non-Matriculated Status (Special/Non-Degree)

NYU Steinhardt welcomes applications for non-matriculated status from candidates who possess a bachelor's degree or its equivalent. Only U.S. citizens and Permanent Residents are eligible for non-matriculated status. **Admission to non-matriculated status does not constitute admission to a degree program and does not guarantee enrollment in a particular course, as some of the courses in the Steinhardt School are restricted to degree students.** Non-matriculated students are limited to a total of 18 credits in this status.

A non-refundable \$50 application fee (made payable to New York University) and transcript indicating degree conferral must be submitted with this application. Return all items to the Office of Graduate Admissions using the contact information above. Please print clearly:
